*\_\_\_\_ Split my money between the Susan G. Komen 3 Day and Sarah Goodwin*

*The money raised in memory of Lori will go to the Susan G. Komen 3 Day for the Cure Walk. One of her best friends, Melissa Reiser, is walking in memory of her and the money will be donated to Melissa's team. Lori gave of*

*her time freely to support the Stingrays, even when it wasn't easy!*

*Sarah Goodwin suffers from a degenerative genetic disorder and there are no cures. She was approved for make a wish (,her dream is a week at Disney with her family). She is wheelchair bound but can ride some rides. However, Make a Wish is back-logged and it may take 12 months for her turn to come up, and she may be too unstable or no longer with us at that time. In order to learn more about Sarah, please see her website at <http://givesarahherdream.com/>*
