

WELCOME TO THE 2010 STONEBRIER STINGRAYS! We are thrilled you have chosen to swim with us! Coach Debbie Carey's leadership has brought the Stingrays two undefeated and fun seasons! She continues to be our head coach and inspires and teaches our kids to improve every season. Thanks Coach Debbie, we love you!!!

REGISTRATION IS OPEN FROM MARCH 1 TO APRIL 1, 2010. LATE FEES APPLY AFTER APRIL 1.

We are trying to do everything by our website this year. Many thanks to Diana Goodwin, our Webmaster, who makes this possible. Please see our website at www.stonebrierstingrays.com for FAQs, handbook, photos, schedule, volunteer information and other details throughout the season. We will continue to update our website regularly. Thanks again for joining the Stingrays.

REGISTRATION STEPS:

1. Fill out this registration form ONLINE, and send payment based on neighborhood resident/non-resident status. Submit your payment, by check, made out to Stonebrier Swim team. Send to Stonebrier Swim Team, PO Box 3962, Duluth, GA, 30096. You must then register online with NASA swim league also. This is required. The NASA fee is \$18.50 per swimmer and has been removed from the Stonebrier fee. Go to www.atlantaswimming.com then click on the swimmer on the top left for 2010 online league registration. Click returning or new user and follow instructions. Pick your team- Stonebrier. Registration deadline is April 1, 2010. Late fees apply after April 1st per NASA league.
2. All new NON-Stonebrier resident swimmers must get a registration code from us at stonebrierswimteam@hotmail.com or from Head Coach Debbie Carey. All returning swimmers already have their place on the team secured.
3. Plan to wear your same suit from last year or order a new one at suit sizing. Suit swap will occur from 2:30-3 pm on Saturday, March 27th at the Clubhouse. The front gate will be open for this event. If you have a suit to donate and hope to swap with someone this is your chance. Then, from 3-5 pm suit-sizing kits will be at the clubhouse. You may order your new suit (if you need one) at that time. Some swimmers may be able to wear their suit from last year. This is the ONLY suit-sizing event at Stonebrier. If you need a suit and cannot attend on March 27th, you will have to order by phone or go to the store if you don't know your size. We are NOT responsible for suit sizing errors over the phone, but if you get sized at this event your fit is guaranteed. You must order your suit by April 1st to guarantee it available for the first meet.
4. To simplify things ALL FEES are included this year. Your registration fee covers all coaching at meets and 5 days per week during summer season, the dual meets, the Georgia Tech Championship meet, a T-shirt for swimmer, trophy/certificate at banquet, and cap for swimmer. Spirit wear and additional team items will be available for purchase at a later date. The Kids

for Kids Charity meet is not included (since it is a charitable event), the Sunday pre-season practices are still \$5 per swim in cash to Coach Debbie(due to SwimAtlanta location), and the banquet will be a separate fee per attendee based on our finances and sponsorship for this season. FEES FOR 2010 ARE \$187 FOR STONEBRIER RESIDENTS AND \$217 FOR NON-RESIDENTS.

5. Welcome again to the undefeated Stonebrier Stingrays! We look forward to another season of swim and fun! For any further questions about our team please see our website at www.stonebrierstingrays.com or email us at stonebrierswimteam@hotmail.com

MAJOR CHANGES FOR THIS SEASON:

1. New photographer: Photo Ventures. We are very excited to partner with Photo Ventures. Please see their website. They are very experienced in swim photography and have many packages under \$25. They also offer free photo buttons to any parent who orders photos...great for showing off your swimmer at the meets! More details to follow. They promise to do our team picture quickly and without chaos.....we hope!!
2. To avoid any confusion the BULLPEN is the assigned team area where all the swimmers run around and wait for us to call them to the chairs behind the blocks. The STAGING area is the area behind the blocks with the chairs where the kids line up on deck right before they race. If your swimmer does not stay in the TEAM AREA/BULLPEN it is YOUR responsibility to get him/her to the blocks. We expect swimmers aged 11 & up to watch the meet and get themselves to the blocks in time for their races. We will assist 10 & unders with bullpen workers but if you are not working a meet PLEASE help us make sure your swimmer makes it to the blocks on time.
3. Practice times have been pushed back by one hour to allow a little more sleep for the teens and a little warmer water for the swimmers. Please see schedule below. We also may add some more pre-season practices based on need, prior to the first meet. Details will be forthcoming.
4. We are paperless! We are trying to do everything online so please be patient with us and check the website regularly. Thanks!!!
